

You bent us just a little,
But you can never make us break.
Now you came into our homeland,
There is no more from you we'll take.
You tried our patience one last time,
Now there's a price you'll have to pay!

No person or no terrorist group,
Can step on freedom's way.
"One nation under God" is true,
You better listen one last time.
You've stolen so many innocent lives,
We won't tolerate such a crime.

Our hearts beat stronger here today,
Through our sadness and our tears.
America will grow stronger now,
As God wipes away our fears.
You see, God will bless America,
And God will keep us strong.
God will not take pity on
Those who don't know right from wrong.

My eagles wings are ruffled,
And my flag is a little worn.
But you see, I am America!
And my spirit can't be torn.
